

HBCU #Deafsuccess Professional Network

The National Deaf Center (NDC) believes every deaf person should have access and opportunities to thrive in any educational and training setting—including the rich legacy of education at Historically Black Colleges & Universities.

NDC is committed to supporting these institutions and their missions to also create opportunities for #deafsuccess.

Session**

November 17, 2022
12 – 1pm CT

Are you interested in joining a virtual networking and listening session?

These sessions are open to disability service staff, faculty, and administration interested in improving accessibility and accommodations for deaf students on their campuses. Get ready to learn about institutions, services available, and how to identify areas in which NDC can offer support.
